

Tingley High Visibility Icon LTE Pants

The Tingley Icon LTE Pant is a premium, lightweight, ANSI compliant, breathable, high visibility pants made with polyurethane on 75 denier rip stop polyester. This lightweight material allows for comfort and flexibility while rip stop resists tears and adds durability. Fluorescent yellow-green and black and silver reflective areas. Elastic waist pants with adjustable drawcord. Eight (8) sizes.

ANSI 107 Class 3 defines the highest level of visibility.

ASTM E96 is the Standard Test Method for Water Vapor Breathability.

Designed to meet the ANSI 107 standard, Job Sight apparel is engineered to provide excellent daytime and nighttime visibility, superior comfort, and safety protection in the toughest work environments.
