

Vericor Response-Ready Container

The Vericor Response-Ready Container is a heavy-duty, collapsible, reusable container for shipping and storing large equipment and/or bulky supplies. Built for years of service under the toughest conditions, spring-loaded latches make opening and closing the access doors easy, as well as folding the container when not in use. It features self-standing side walls for efficient assembly and collapse. They are collapsible, stackable, and reusable. They have a heavy-duty removable lid and have convenient 4-way forklift accessibility.

Item #: VER-MC-RRC

4-way Forklift Access
