

## Westcot Functional Needs Cot

The Westcot Functional Needs Cot is truly a “Whole Community Response Cot” which addresses the concerns of our most vulnerable populations and also the needs of General Populations with compassion of care. It supports your Disaster Preparedness Efforts and also your Emergency Activation Plans.

Meeting the FEMA guidelines in relation to ADA compliance, the cot is the wheelchair transferable height cot that offers safety and comfort for the survivor and ease of use for the responder(s) tasked with their care. Decontamination protocols and remedial storage for the response personnel is simplified with this cot. It is intended for multiple deployments over extended periods of time at fixed or portable shelters, portable hospitals, and assisted living facilities, and anywhere a fully functional or Special Needs Cot is required. Available to be purchased as a single cot, a pallet of 12 cots, or an 8-patient system.

## Westcot Functional Needs 10-Patient System

The Westcot Functional Needs 10-Patient System was designed for rapid deployment and to expedited delivery of Functional Needs Westcots to those who need it most.

There are ten (10) Westcot Functional Needs Cots paired inside of five (5) Westcot Rapid Deployment Bags. The cots are engineered to provide equal care for survivors of natural disasters who possess impaired cognitive and/or physical ability during temporary care scenarios.

The optional stow on board IV poles and safety rails provide added precaution. The Disposable Linen Packs (included) improve deployment efficiency. The entire system is covered in a triple layer vinyl dust cover which is soil and puncture resistant.

### **Includes**

- (10) Westcot Functional Needs Cots
- (5) Westcot Rapid Deployment Bags
- (1) Westcart Storage Cart
- (10) Disposable Linen Packs (1 Fitted Sheet, 1 Flat Sheet, 1 Blanket, 1 Pillowcase, 1 Pillow, stored inside of a plastic bag)
- (1) Triple Layer Vinyl Dust Cover
