

Barrier By Design Indoor Genesis 6' x 6' Barrier Systems

Barrier By Design Barrier Genesis Systems are versatile and popular for entrance / event screening, accident, triage, and are commonly used on-scene to restrict access to a particular area. They are flexible, expandable, and customizable. They deploy in just minutes for immediate coverage with one person and without any tools. They easily convert to outdoor use, adapting to any terrain and conditions by simply adding weighted ballast bags to fortify the patented release and turret technology.

Features

Quick & Easy

- One person deployment in minutes
- No tools needed

Durable
